

Hartford Connecticut PRIDE Entertainment Review by Julie Nicolay, Producer- "Outloud Radio"

On Saturday, September 22nd, 2001, in Bushnell Park, right in front of the capitol, Hartford held its annual PRIDE event! New Haven's event was held in June with about 1500 folks and I'd estimate Hartford's attendance at 2500.

There was a great lineup already advertised and a few wonderful surprises, too!

...One of the best things on that stage Saturday was the band, Sister Funk, whom I've raved about before. If any of you went to their Meow Mix gig in New York City a few months ago, you know what I'm talking about, don't you? Well, they ROCKED THE HOUSE! They were on last, and if anyone was thinking of leaving, they stopped as soon as the sistahs started groovin.' There was dancing, clapping, singing, etc., all throughout the grounds. Nationally acclaimed Folk artist, Jamie Anderson, and Comedienne, Michelle Balan, joined the sistahs in their "We are Family" tribute...

...Not only do these women how to shake their groove thang, but they can PLAY! Folks, they are tight, together, VERY fine instrumentalists, and they all can SING! Great harmonies, powerful leads, everything you want in a funk'd up, rockin' band!

I was only going to review Outvoicers / Outmusicians, but I had to give these women a big mention since they're so damn good. They're going to be in Provincetown for Women's Week 4 nights running Oct. 5-8, so if you're going, see them, and get their debut CD, "Pursuit of the Groove" while you still can!

www.sisterfunk.com - check 'em out. You'll be glad you did! Trust me on this one, OK? . . .
