Sister Funk,

Ladies, ladies, ladies. Oh my, I just had to tell you what an excellent job you all did @ the New Haven PRIDE Block party on Saturday, June 3rd. The electrician was suppose to cut the power due to time constraints but was so impressed by your performance that he allowed you to do your 2nd encore. YOU GUYS KICKED SOME SERIOUS BUTT!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! You were fantastic and kept the crowd jumpin'!!!

Thank you from all of us, not just the P.R.I.D.E. committee, but from the COMMUNITY as well. I'll be in touch regarding the Hartford PRIDE event, and believe me I can't wait!

Huge "thank you" hugs!

Billy Urich
