SISTER FUNK, You gals ROCK!! We loved your group so much; PLEASE think about coming back and playing next year's PRIDE on Saturday, June 15th, 2002.

Just wanted to let you know that we raised over \$400 the night you performed at Spirits . . . so it was very much a SUCCESS! Our overall PRIDE fundraising was also successful and will keep us going strong in planning for next year.

The weather did not stop our celebration! You LADIES kept on singing throughout the whole ride on the lavender line!! You fired up the crowd throughout the streets of Syracuse and for that the band won 3rd place in the Float competition; expect the prize money in the mail.

Again, it was a pleasure having you and working with you! Please try and make it back next year, until than keep ROCKIN!

Keep in touch and thanks for everything!
